OKLAHOMA STATE BANKING DEPARTMENT

September 11, 1990

The Honorable Henry Bellmon
Governor of the State of Oklahoma
State Capitol Building
Oklahoma City, Oklahoma 73105

Dear Governor Bellmon:

In compliance with the provisions of Title 6 O.S. Section 212, I submit for your consideration and information the annual Report of the State Bank Commissioner for the fiscal year ending June 30, 1990.

The financial and statistical information contained in this Report has been compiled from the Reports of Condition submitted by the state-chartered financial institutions supervised by this Office. As of June 30, 1990, there were 252 state-chartered commercial banks, eight trust companies, seven savings and loan associations, and 41 credit unions, for a total of 308 financial institutions. This Office also supervises perpetual care cemeteries, money order licensees, and sale of cemetery merchandise products.

Assets of state-chartered institutions totaled $14,232,800,000 as of June 30, 1990. Total assets of June 30, 1989, were $14,040,575,000, a dollar increase of $192,200, or 1.4 percent. This results after failure of three state-chartered banks and merger of eight other financial institutions.

The State Banking Department performed 191 commercial bank examinations, 37 visitations, 7 trust examinations, and 37 credit union examinations during the 1989-90 fiscal year. Numerous investigations were initiated and completed as a result of citizens' complaints and/or inquiries.

The mission of the State Banking Department for the upcoming fiscal year is to utilize the authority vested by law, as well as its personnel, staff, and resources, to ensure that sound financial practices are in place in the state's financial institutions and to ensure that financial services are available to meet public demand and foster economic growth. The Department will continue its policy of being an advocate of banking and seeking every means available to improve those financial institutions found to be in need of assistance. The goals for the upcoming fiscal year are dictated by the demands of the financial institutions, industry, environment, and priorities established to regulate and supervise.

Present Departmental goals are: to continue an examination and visitation schedule designed to monitor the quality of the state financial institutions; to improve off-site monitoring and analysis of state financial institutions designed to detect weaknesses as they develop; and to improve the examination process through continuance of intense education and training programs.

The personnel and staff of the State Banking Department are pledged to the accomplishment of the goals as stated and are dedicated to the fulfillment of the mission of the Department.

Respectfully,

Wayne Osborn
